

High-Performance Doors for PARKING APPLICATIONS

HIGH-PERFORMANCE DOORS FOR PARKING APPLICATIONS

SmartSurround®

- Advanced Detection and Alert System
- Intuitive, integrated system offers unmatched awareness, detection, warning and signaling
- High-intensity LED lights for both interior and exterior applications
- Available on most Spiral door models

Spiral®

- Exclusive, patented technology
- Rigid aluminum double walled slats with integral rubber weatherseals
- Insulated, ventilated or vision slat options available
- Opening speed up to 60 ips

Spiral® FV® (Full Vision)

- Full width continuous window slats provide excellent visibility
- Sleek, high-tech aesthetics
- Shatter-proof and scratch resistant LEXAN™ slats
- Opening speed up to 100 ips

Spiral® VT (Ventilated)

- Maximize fresh air with ventilated slats to meet ventilation requirements of garage
- Provides air flow and security for high-speed, high-cycle applications
- Opening speed up to 100 ips

Spiral® LH® (Low Headroom)

- Low lintel design requires as little as 11 inches of headroom
- Rigid aluminum double walled slats with integral rubber weatherseals
- Insulated, ventilated or vision slat options available
- Opening speed up to 60 ips

Spiral® HZ® (Hurricane Zone)

- Missile impact tested and can withstand winds up to 175 mph
- Certified for compliance with Miami-Dade County and the Florida Building Code.*
- Opening speed up to 60 ips

Spiral® LH®-HZ® (Low Headroom/ Hurricane Zone)

- Low lintel design requires as little as 11 inches of headroom
- Missile impact tested and can withstand winds up to 175 mph
- Certified for compliance with Miami-Dade County and the Florida Building Code*
- Opening speed up to 60 ips

Spiral LP® (Low Profile)

- Low profile side column and headroom configuration allows to fit into tighter spaces
- Rigid aluminum double walled slats with integral rubber weatherseals
- Insulated, ventilated or vision slat options available

Fast-Seal®

- Industry-leading high-speed rolling door
- 3-ply Rylon® door panel
- Dual counterweights and independent curtain tensioning system
- Opening speed up to 50 ips

PredaDoor® NXT®

- 2-ply or 3-ply Rylon® door panel with 5-year warranty
- Direct drive operation
- NXT Quick-Set™ repair system for realignment if hit
- Opening speed up to 50 ips

PATENTED SPIRAL® TECHNOLOGY

Our Spiral Series doors offer a unique spiral track design that ensures no metal-to-metal contact for ultra-quiet operation. This also guards against wear and tear on the aluminum panel, resulting in minimal maintenance, preserved aesthetics and longer life.

SAFETY FOCUSED

Rytec offers multiple standard and optional safety features to provide safeguards and assure operational standards.

- SmartSurround® Detection & Alert System
- Advanced³ Light Curtain Safety System
- Pathwatch®/Pathwatch II Safety Light Systems
- Reversing edge with Ry-Wi® Wireless System
- Dual thru-beam photo eyes

PERFORMANCE UNDER CONTROL

Our next generation exclusive System 4® and BTA4 remote door controllers provide greater functionality and unprecedented efficiency for Rytec doors. Featuring smart technology, easy installation and a standard NEMA 4X rated (or equivalent) enclosure.

REDUCED MAINTENANCE COSTS

- ▶ Specifically engineered for high-traffic, high-cycle environments, it is designed for day in, day out use
- ▶ Assured operation without extensive ongoing maintenance
- ▶ Fabric and rubber door models can withstand vehicle impact and be reset in seconds, without tools

IMPROVED SECURITY

- ▶ Rapid opening and closing prohibits unauthorized access
- ▶ High speed operation optimizes traffic flow by reducing waiting time
- ▶ Cycle speeds deter 'tailgating' or 'piggybacking' activity

LASTING RELIABILITY

- ▶ Engineered to withstand the daily rigors of use and last for millions of operating cycles
- ▶ High-speed operation assures smooth, efficient, high-volume traffic flow
- ▶ Custom manufactured for optimal fit and performance

STYLISH AESTHETICS

- ▶ Modern, crisp lines and materials coordinate with many types of architectural styles
- ▶ Variety of RAL classic or custom match colors and additional options to help fit the visual appeal of individual structures and buildings

North America's Leading High-Performance Door Manufacturer

QUALITY. PERFORMANCE. RELIABILITY.

Rytec doors offer our customers the highest value and day in, day out performance — and are supported by the knowledge and expertise of dedicated employees, authorized dealers and trained installers across North America. With over 150,000 doors in operation — many with millions of operating cycles — our doors provide energy savings, safety and security and require only minimal maintenance.

American Owned, American Made
