LEXAN Sheet Performance Details

Impact/Break Resistance
- Lightweight, yet strong and extremely impact resistant to minimize the risk of window breakage
- 30 times the impact strength of acrylic
- 250 times the impact strength of glass

Scratch/Abrasion Resistance
- MARGARD proprietary coating protects the surface and withstands scratches and abrasions
- MARGARD is applied to both sides of the window panel for increased durability and protection

UV-Light Resistance
- MARGARD coating enhances protection against yellowing, hazing and other damaging effects of the sun
- Ideal for exposed areas or harsh weather conditions

Graffiti Resistance
- Windows with LEXAN sheets “defy graffiti to stick”
- MARGARD coating inhibits paint, adhesives and other materials from easily sticking to the surface

Maintenance and Warranty

Cleaning
- Periodic cleaning will help maintain appearance and prolong service life
- Correct cleaning procedures and compatible cleaners must be used for coverage under the limited warranty

Replacement
- Individual slats are field replaceable

7-Year Limited Warranty
- When properly maintained, windows with LEXAN sheets are covered by a 7-year warranty against breaks, coating failure, excessive increased haze, excessive yellowing or loss of light transmission

Clear and Tinted Options
- Translucent bronze and grey grades significantly reduce solar heat build-up, helping to maintain interior temperatures
