Please Read The Entire Bulletin Before Proceeding

Effective January 1st, 2013, the Digital Gateway Controller will be a discontinued item. A limited number of Digital Gateway Controllers (DG1200 & DG1215) remain in stock. When this stock is depleted the Digital Gateway Controller will no longer be available.

This includes all models of the Digital Gateway Controller:

DGJR (115V)
DG1000 (115V)
DG1100 (115V)
DG1200 (24V)
DG1215 (115V)

Rytec Corporation is exploring replacement control systems for Digital Gateway Controllers, but has no immediate solution.

Please contact Rytec Technical Support at 1-800-628-1909 with any questions.
